

**DECLARATION OF INDEPENDENT INVENTOR**

I, Thomas D. Petite make the following declaration:

I am the inventor of the invention disclosed in an application for United States patent entitled:

**MULTI-FUNCTION GENERAL PURPOSE TRANSCEIVER**

I have not assigned, granted, conveyed, or licensed, and I am under no obligation under contract or law to assign, grant, convey, or license, any rights in the invention to any person who could not likewise be classified as an independent inventor if that person had made the invention, or to any concern which would not qualify as a small business concern having no more than five hundred employees or a nonprofit organization.

And I also acknowledge that once I have assigned, granted, conveyed, or licensed, or come under an obligation to assign, grant, convey or license, any rights to the invention to anyone who could not likewise obtain status as a small entity, I will no longer be entitled to pay fees to the U.S. Patent and Trademark Office in the amounts established for an independent inventor.

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or patent resulting therefrom.
